## Media Release

### **Manav Infra bags new order from Dogus Soma JV worth Rs. 140 Lakh**

#### **Work order for line III Mumbai Metro work (Mahalakshmi Station)**

**21<sup>st</sup> December 2017, Mumbai, India: Manav Infra Project Limited (NSE: MANAV)**, among leading excavation and piling companies in Maharashtra with over two decades of experience, has received a new work order from Dogus soma JV. This order is for line III Mumbai metro work at SML (Mahalakshmi Station) for “Cast in Situ Bored Secant Piling”. This includes using heavy machinery to break hard rock and carry on complete excavation of site for Metro Rail.

- Machinery used: Mait HR 300-570, to break the hard rocks. HR 300-570 is a drilling rig of great dimensions, it has been designed for very deep and large diameters, only few machines available in our country.
- Length/ Depth: 800mm /1000mm dia - Depth as per drawing
- Order to be executed in two months excluding mobilization period

Commenting on the new order Mr. Mahendra Narayan Raju, Managing Director, said *“With this order, we have strengthened our order book and continue to be a preferred contractor for services like hard rock breaking, piling and excavation. Our focus has always been on project execution and increasing our operational efficiencies which have been key to our success and resulted continuous orders from the Metro Rail Project.”*

#### **Some of ongoing work orders – Total order book of over Rs 25 Cr**
