The resolution seeks approval of members as a Special Resolution for the re-appointment of Mr. Atul Bhagavatishanker Purohit as an Independent Director of the Company with effect from 22nd June, 2022 to 21st June, 2027, pursuant to the provisions of Section 149, 150, 152, 197 read with Schedule IV and other applicable provision of the Companies Act, 2013 and the rules made thereunder.

Item No. 7

To approve powers of the Board under the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a Company can, with the consent of the Members obtained by Special Resolution, borrow moneys, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the aggregate of the paid-up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose.

Keeping in view of the Company's business requirements and growth plans, it is considered appropriate to increase the aforesaid limit of borrowing. Your consent is therefore sought to authorize the Board to borrow up to 20 crores.

The Board of Directors recommends the Special Resolution set out in Item No. 7 of the accompanying notice for the approval of the Members of the Company.

Item No. 8

Members of the Company are further to note that Section 180(1)(a) of the Companies Act, 2013 mandates that the Board of Directors of the Company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking(s) of the Company, only with the approval of the members of the Company by way of Special Resolution.

Explanation (i) to section 180(1)(a) of the Companies Act, 2013 states that the meaning of an “undertaking” shall mean an undertaking in which the investment of the Company exceeds twenty per cent of its net worth as per the audited balance sheet of the preceding financial year

or an undertaking which generates twenty per cent of the total income of the Company during the previous financial year.

Explanation (ii) to section 180(1)(a) of the Companies Act, 2013 states that the meaning of “substantially the whole of the undertaking” in any financial year shall mean twenty per cent or more of the value of the undertaking as per the audited balance sheet of the preceding financial year.

Keeping in view of the Company’s business requirements and growth plans, it is considered appropriate to increase the aforesaid limit up to 20 crores. The consent of Members is therefore sought to authorize the Board.

The Board of Directors recommends the Special

Resolution set out in Item No. 8 of the accompanying notice for the approval of the Members of the Company.

Item No. 9 & 10:

The Board of Directors at their meeting held on 25th August, 2021, subject to approval of members of the Company, has accorded its approval to revision in the remuneration of Mr. Mahendra Raju, Chairman and Managing Director and Mr. Dinesh Shivnath Yadav, Executive Director of the Company. The same was approved by the Nomination and Remuneration Committee at its meeting held earlier that day and was recommended to the Board for its approval. While approving the revised remuneration of the Executive Directors, the Nomination and Remuneration Committee considered various parameters which, inter alia, includes, the scale of operations of the Company especially in respect of increase of Work Order position etc. The revision in remuneration of Executive Directors was made with the view to make the same commensurate with their efforts given to and involvement in the Company.

Save and except Mr. Mahendra Raju and Mr. Dinesh Yadav none of the Directors, Key Managerial Personnel and/or their relatives are, in anyway, concerned or interested, financially or otherwise, pursuant to the provisions of Section 197 read with Part I and Part II of Schedule V and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification(s) or re-enactment thereof for the time being in force) and applicable clauses of the Articles of Association of the Company, the above said revision in remuneration requires approval of members of the Company in a General Meeting by way of Ordinary Resolution. Accordingly the resolution set out at items nos. 9 and 10 of the notice are recommended to be passed as Ordinary Resolution(s).

The Company is exposed to inherent uncertainties owing to the sector in which it operates. A key factor in determining a Company's capacity to create sustainable value is the ability and willingness of the Company to take risks and manage them effectively and efficiently. Many types of risks exist in the Company's operating environment and emerge on a regular basis due to many factors such as changes in regulatory framework, economic fundamentals etc. In order to evaluate, identify and mitigate these business risks, the Company has a robust Risk Management framework. This framework seeks to create transparency, ensure effective risk mitigation process and thereby minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The Business risks as identified are reviewed and a detailed action plan to mitigate the identified risks is drawn up and its implementation is monitored.

SWOT analysis of the company

Strengths

1. Cordial relations with Customers
2. In depth knowledge of Industry – Commercial & Technical
3. Proven track record
4. Large base of machines and equipments
5. Infrastructural support
6. Experienced management team

Weaknesses

1. Dependent upon growth in infrastructure industry
2. Insufficient market reach outside Maharashtra

Independent Auditor's Report
To The Members of Manav Infra Projects Limited
Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone financial statements of MANAV INFRA PROJECTS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act.. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	KEY AUDIT MATTER	PRINCIPAL AUDIT PROCEDURES / AUDITOR'S RESPONSE
	Non-responses of external confirmations request perpetrated pursuant to SA 505 COVID-19 has impacted the procedure of external confirmation request to vendors and customers. Postal facilities were not available in the near-end of the financial year. To combat this, we had sent positive external confirmation requests through electronic modes. However, due to suspension of business activities of many confirming parties, there are fewer confirmations received than anticipated. In such events, in accordance with SA, auditors have to revise the assessed risk of material misstatement at the assertion level, and modify the planned audit procedures. SA also directs the auditors to perform alternative audit procedures.	We revised our assessed risk and have modified our audit procedures to mitigate these risks. We have obtained a reliable assurance pertaining to transactions with confirming parties, in the sense for accurate and complete processing of routine and significant classes of transactions such as revenue, purchases and cash receipts or cash purchases. We selected samples and tested the effectiveness of controls relating to accuracy and completeness of transactions in totality considering the frequency and regularity of transactions. We performed alternative audit procedures like follow-up confirmation requests, verification of subsequent payments and receipts to verify part of the balances appearing in the original confirmation requests.

	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 “Revenue from Contracts with Customers”</p> <p>Revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company’s process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <p>Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.</p> <ul style="list-style-type: none"> ❖ Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls. ❖ Tested the relevant information technology systems’ access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard. ❖ Selected a sample of continuing and new contracts and performed the following procedures: <ul style="list-style-type: none"> ❖ Read, analysed and identified the distinct performance obligations in these contracts ❖ Compared these performance obligations with that identified and recorded by the Company ❖ Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration. ❖ Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes. ❖ In respect of samples relating to fixed price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and
--	--	--

		<p>change management controls relating to these systems.</p> <ul style="list-style-type: none"> ❖ Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts. ❖ Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings. ❖ We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.
	<p>Fixed price contracts using the percentage of completion method</p> <p>Revenue from fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time has been recognized using the percentage-of-completion method. Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgment and is assessed throughout the period of the contract to reflect any changes based on the latest available information. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract. We identified the estimate of total efforts or efforts to complete fixed price contracts measured using the percentage of completion method as a key audit matter as the estimation of efforts or costs involves significant judgment throughout the period of the contract and is subject to revision as the contract progresses based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to-date and estimates of efforts or costs required to complete the remaining contract performance obligations over the lives of the contracts.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to estimates of total expected costs or efforts to complete for fixed-price contracts included the following, among others:</p> <p>We tested the effectiveness of controls relating to (1) recording of efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) access and application controls pertaining to time recording, allocation and budgeting systems which prevent unauthorized changes to recording of efforts incurred.</p> <p>We selected a sample of fixed price contracts with customers accounted using percentage-of-completion method and performed the following:</p> <ul style="list-style-type: none"> ❖ Compared efforts or costs incurred with Company's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. ❖ Tested the estimate for consistency with the status of delivery of milestones and customer acceptances and sign off from customers to identify possible delays in achieving milestones, which require changes in estimated costs or efforts to complete the remaining performance obligations.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- ❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MANAV INFRA PROJECTS LIMITED** ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls are operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
