CHAIRMAN'S SPEECH AT 9TH ANNUAL GENERAL MEETING

MANAV INFRA PROJECTS LIMITED

CHAIRMAN MESSAGE

Dear Shareholders,

It is my privilege to present the **9th Annual Report** of your company for the year ended **March 31st, 2018**. In a challenging external environment, your company performed well and delivered another year of consistent, competitive, profitable and responsible growth.

INITIAL PUBLIC OFFER

Last year also happened to be a landmark year for your company as your company go for IPO (Initial Public Offer) and got listed on NSE (National Stock Exchange of India Limited) on SME Platform. Further, I am happy to inform you that investors have shown tremendous confidence in your company as your IPO was oversubscribed.

I wish to inform that proceeds from this IPO have been used for the fulfilment of working capital requirement as per listed purposes. I am confident that the proceeds of the IPO have been such prudently invested which will further boost our business and profit.

A STRONG PERFORMANCE

Your Company is basically into excavation and piling service provider also deals in road construction and rental of heavy machineries such as JCB, Poclains, Piling rigs etc.

Company has reported sterling growth in Turnover, EBITDA & net profit. Your company's net Profit before exceptional item rose by 58% from Rs. 79 Lacs in the previous year to Rs. 126 lacs in the current year and turnover increased 16% from Rs. 2114 Lacs as compared to Rs. 1830 Lacs in the previous year. This reflects our improved confidence in the position of the company and the outlook.

COMMITTED TO SUSTAINABILITY

We seek to create further value by developing the opportunities embedded in our existing operations which represent the most attractive options. Presently we have Major Piling Projects with **MMRDA** (Mumbai Metropolitan Region Development Authority) **Metro Construction Line No. III** associated with Dogus Soma at **worli, Metro Line No. II and VII** associated with J. Kumar at **Andheri to Kandivali** and **Malad to Kandivali** for Hiring of Equipments and Pile cap Excavation, **Metro Line No. VII** associated with Simplex at **Andheri Western Express Highway to Goregaon** for Hiring of Heavy Equipments.

We also have residential projects of Excavation, Piling and rental of Heavy Equipments at **Marol, Andheri (E), Borivali (E), Juhu and around the western suburbs Mumbai.**

First, we strive to operate our business with a sharp focus on safety, producing profitable tonnes and pursuing sustainable cost improvements. To this end the company has been through a period of change which included the introduction of a new operating model to strengthen our internal capabilities

LOOKING AHEAD WITH CONFIDENCE

We have taken advantage of the downturn and our financial strength and made investment in the Machinery and Heavy Equipments such as **Mait HR 300 Piling Rig, PC 450 and other poclains**, in the upcoming year also the Company is planning to add some giants in the machinery fleet such as **Mait HR 180 and huge range of JCB** These recent investments will account for about 25% of our total production/turnover and will make a significant contribution to our business.

We look beyond our core business for other growth opportunities to develop our portfolio, based on profitable returns. Our focus is to provide basic infrastructure services in Mumbai. We have a strong balance sheet that allows us to consider a range of opportunities.

TURNING INTO CORPORATE GOVERNANCE

Our Company has always maintained the highest governance standards and practices by adopting the norm for all constituent, The Company has falling under the ambit of Corporate Governance we have made required Policies and Code of Conduct in the Board during the year 2017-18 the same is mentioned in the Report on Corporate Governance as well; the same is available on the Company's website www.manavinfra.com.

In compliance with the Corporate Governance Two Independent Directors joined the Board and other officials and Key managerial Personnel were appointed; Managing Director, Company Secretary and Chief Financial Officer also made a part of the Boardroom. Composition of Various Committees of Board also took place in the year.

Although we believe that our current governance structures support the representation of stakeholder views and interests in our decision making, we will continue as a Board to ensure the transparency.

TO SUMMARIZE

To summarize, 2017 has been a year of good progress for our company. We have come out of the downturn stronger with a restructured organization that positions us well to continue executing our strategy over the coming years.

I would also like to take this opportunity to thank all our Stakeholders, our Bankers, our Investors employees and contractors that work across the Group for their trust and faith I must acknowledge huge contribution from entire team of MIP whose contribution has helped to make **Manav Infra** what it is today.

With Warm Regards,

Mahendra Narayan Raju

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 (THE ACT)

Item No.4:

To approve powers of the Board under the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a Company can, with the consent of the Members obtained by Special Resolution, borrow moneys, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the aggregate of the paid-up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose.

Keeping in view of the Company's business requirements and growth plans, it is considered appropriate to increase the aforesaid limit of borrowing. Your consent is therefore sought to authorize the Board to borrow up to 20 crores.

The Board of Directors recommends the Special Resolution set out in Item No. 4 of the accompanying Notice for the approval of the Members of the Company.

Item 5:

Members of the Company are further to note that section 180(1)(a) of the Companies Act, 2013 mandates that the Board of Directors of the Company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking(s) of the Company, only with the approval of the members of the Company by way of special resolution.

Explanation (i) to section 180(1)(a) of the Companies Act, 2013 states that the meaning of an "undertaking" shall mean an undertaking in which the investment of the Company exceeds twenty per cent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty per cent of the total income of the Company during the previous financial year.

Explanation (ii) to section 180(1)(a) of the Companies Act, 2013 states that the meaning of "substantially the whole of the undertaking" in any financial year shall mean twenty per cent or more of the value of the undertaking as per the audited balance sheet of the preceding financial year.

Keeping in view of the Company's business requirements and growth plans, it is considered appropriate to increase the aforesaid limit up to 20 crores. The consent of Members is therefore sought to authorize the Board.

The Board of Directors recommends the Special Resolution set out in Item No. 5 of the accompanying Notice for the approval of the Members of the Company.

Item No. 6 & 7:

The Board of Directors at their meeting held on 31st August, 2018, subject to approval of members of the Company, has accorded its approval to revision in the remuneration of Mr. Mahendra Raju, Chairman and Managing Director and Mr. Dinesh Yadav, Whole Time Director (herein after referred to the Executive Directors) of the Company. The same was approved by the Nomination and Remuneration Committee at its meeting held earlier that day and was recommended to the Board for its approval. While approving the revised remuneration of the Executive Directors, the Nomination and Remuneration Committee considered various parameters which, inter alia, include the scale of operations of the Company especially in respect of increase of Work Order position etc. The revision in remuneration of executive directors was made with the view to make the same commensurate with their efforts given to and involvement in the Company.

Save and except Mr. Mahendra Raju and Mrs. Mahalakshmi Raju, none of the directors, Key Managerial Personnel and/or their relatives are, in anyway, concerned or interested, financially or otherwise, in the said resolution.

Pursuant to provisions of Section 197 read with Part I and Part II of Schedule V and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification or re-enactment thereof) and applicable clauses of the Articles of Association of the Company, the above said revision in remuneration requires approval of members of the Company in a general meeting by way of ordinary resolution. Accordingly the resolution set out at items nos. 6 and 7 of the notice are recommended to be passed as ordinary resolution(s).

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORTS

This MD&A provides analysis of the operating performance of the company’s business segments, as well as a discussion of cash flows, the impact of risks and outlook for the business, Additional information about the company.

INDUSTRY OVERVIEW

In 2017, global economic growth reached 3 percent the highest growth rate since 2011. The growth is expected to remain steady for the coming year. The improved global economic situation provides an opportunity for countries to focus policy towards longer-term issues such as low carbon economic growth, reducing inequalities, economic diversification and eliminating deep-rooted barriers that hinder development.

Global Economic Overview

Global growth for 2016 is estimated at 3.1 percent, in line with the 2016 forecast. Economic activity in both advanced economies and EMDEs is forecast to accelerate in 2017-18, with global growth projected to be 3.4 percent and 3.6 percent, respectively, again unchanged from the forecasts.

Advanced economies are now projected to grow by 1.9 percent in 2017 and 2.0 percent in 2018, 0.1 and 0.2 percentage points more than in the forecast, respectively. As noted, this forecast is particularly uncertain in light of potential changes in the policy stance of the United States under the incoming administration. The projection for the United States is the one with the highest likelihood among a wide range of possible scenarios. It assumes a fiscal stimulus that leads growth to rise to 2.3 percent in 2017 and 2.5 percent in 2018, a cumulative increase in GDP of ½ percentage point relative to the forecast. Growth projections for 2017 have also been revised upward for Germany, Japan, Spain, and the United Kingdom, mostly on account of a stronger-than-expected performance during the latter part of 2016. These upward revisions more than offset the downward revisions to the outlook for Italy and Korea.

The primary factor underlying the strengthening global outlook over 2017-18 is, however, the projected pickup in EMDEs’ growth. As discussed in the WEO, this projection reflects to an important extent a gradual normalization of conditions in a number of large economies that are currently experiencing macroeconomic strains.

EMDE growth is currently estimated at 4.1 percent in 2016, and is projected to reach 4.5 percent for 2017, around 0.1 percentage point weaker than the forecast. A further pickup in growth to 4.8 percent is projected for 2018.

Overview of the Indian Economy

The Indian economy grew at 6.7 per cent in 2017-18. Though the economic growth remained subdued in the first half of the year due to demonetization and GST implementation, it recovered in the second half on the back of robust consumer demand and buoyancy in urban and rural spending. The 7.7% growth rate achieved during Q4 FY18 has put India once again as one of the fastest growing major economies in the world. The India's fundamentals remain strong. The India Government's deftness in managing balance sheets of government and public sector banks while ensuring an employment led economic recovery would be the key to a sustained growth. With private consumption picking up, rural economy recovering and investments reviving as reflected in IIP capital growth index and gross fixed capital formation (GCF), India growth remain positive with both the World Bank and IMF predicting a higher growth trajectory in the years ahead., For FY18-19 the economy is projected to grow at 7.4%.

Segment-wise Performance

The Company operates in one reportable segment i.e. Excavation and Piling. The Service Segments has been identified as separate segment in accordance with Accounting Standard 17 'Segment Reporting'.

Performance

During the year under review, the total income of the Company amounted to Rs. 2113.70 lakhs as against Rs. 1829.66 lakhs during the previous year. There is an increase in the turnover 15.52% as compared to previous year. But company has generated a profit after tax of Rs. 126.80 Lacs during the financial year 2017-18 as against the last year Profit after tax of Rs. 103.15 lacs. Your Directors are putting in their best efforts to improve the performance of the company.

Risk Management

The Infrastructure sector is a key driver of the Indian economy. During 2017 and in 2018, there has been a significant push from the Government, which has been providing financial support and implementing initiatives to give a boost to the sector.

The Ministry of Road Transport and Highways has designed the Bharatmala Pariyojana, which has six key components— development of economic corridors, development of inter-corridor and feeder routes, improvement of the efficiency of existing National Corridors (Golden Quadrilateral and the North-South & East-West corridors), development of coastal and port connectivity roads, development of

border and international connectivity roads and development of greenfield expressways.

The Company is exposed to inherent uncertainties owing to the sector in which it operates. A key factor in determining a Company's capacity to create sustainable value is the ability and willingness of the Company to take risks and manage them effectively and efficiently. Many types of risks exist in the Company's operating environment and emerge on a regular basis due to many factors such as changes in regulatory framework, economic fundamentals etc. In order to evaluate, identify and mitigate these business risks, the Company has a robust Risk Management framework. This framework seeks to create transparency, ensure effective risk mitigation process and thereby minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The Business risks as identified are reviewed and a detailed action plan to mitigate the identified risks is drawn up and its implementation is monitored.

Swot analysis of the company

Strengths

1. Cordial relations with Customers
2. In depth knowledge of Industry – Commercial & Technical
3. Proven track record
4. Large base of machines and equipments
5. Infrastructural support
6. Experienced management team

Weaknesses

1. Dependent upon growth in infrastructure industry
2. Insufficient market reach outside Maharashtra
3. Surge in finance needs to cope up with the increased demand

Opportunities

1. Government's drive to infrastructure up gradation
2. Rapid urbanization and growth in infrastructure

Threats

1. Industry is prone to changes in government policies; any material changes in the duty or international raw material prices may adversely impact our financials.
2. There are no entry barriers in our industry, which puts us to the threat of competition from new entrants.

Internal Control Systems and Their Adequacy

The Company has adequate system of Internal Controls to help Management review the effectiveness of the Financial and Operating Controls and assurance about

adherence to Company's laid down Systems and Procedures. As per the provisions of the Companies Act, 2013, internal controls and documentation are in place for all the activities. Both Internal Auditors and Statutory Auditors have verified the Internal Financial Controls (IFC) at entity level and operations level and satisfied about control effectiveness.

The controls are reviewed at regular intervals to ensure that transactions are properly authorized, correctly reported and assets are safeguarded. The Audit Committee periodically reviews the findings and commendations of the Auditors and takes corrective action as deemed necessary.

Enterprise Resource Planning Software is in implementation at Head Office, Divisions, Regional Offices and most of the Projects and would further strengthen the internal control mechanism.

Human Resources

During the year under review, HR continued to undertake initiatives towards development, enhancement and retention of workforce. Your company strongly believes that employees are central to the company's transformation agenda and that it is important to build capabilities of employees to handle both current and future needs. During the year, the company worked extensively on identifying the needs of employees across all categories and level. The company has built a young and vibrant team of qualified and competent professionals to meet the emerging business challenges and market competition.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MANAV INFRA PROJECTS LIMITED** ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended 31st March, 2018

Note 1 – Significant Accounting Policies and Notes thereon

Corporate information

Manav Infra Projects Limited (the company) is a Public limited company domiciled in India and incorporated under the provisions of the Companies Act, **Corporate Identity Number: U45200MH2009PTC193084**, the register office of the company is located at **407, Gundecha Industrial-Complex Premises Co. Op. Soc. Ltd, Akurli Road, Near Growels Mall, Kandivali East Mumbai City MH 400101 IN**

The Company is engaged in infrastructure Development, Infrastructure projects, works Contracts, Site preparation and Clearance services to Real estate sector.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:

A. Statement of compliance:

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act..

Upto the year ended 31st March, 2017, The financial statements of the Company have been prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles in India to comply with the Accounting Standards notified under Section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and relevant provisions of the Companies Act, 2013 ("the 2013 Act").

The accounting policies adopted in the preparation of financial statements are consistent with those of previous period.

B. Basis of preparation of financial statements

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1st April, 2016. Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of

Changes in Equity for the year ended 31st March, 2018, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as “Financial Statements”). The figures for the previous year ended 31st March, 2017 and Opening Balance Sheet as on 1st April, 2016 have also been reinstated by the Management as per the requirements of Ind AS.

These financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements

The financial statements are presented in Indian Rupees (“INR”) and all values are rounded to the nearest INR”, except otherwise indicated.

C. Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

D. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from the Site services are recognised pro-rata over the period of the contract as and when services are rendered. It is difficult to identify the completion of the work due to the complexity of the services rendered. Hence the management's confirmation is accepted in identifying the above.

Interest income is recognized on the time basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.

E. Tangible fixed assets

Fixed assets are stated at cost, less accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria

are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Particular	Estimated life in Years
Computers & Printers	3
Plant and equipments	9
Furniture and fixtures	5

F. Depreciation

Depreciation on fixed assets is provided on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule II to the Companies Act, 2013, whichever is higher. However Management has not estimated the useful lives of assets and rate is used as per Company Act.

G. Borrowing

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

H. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

I. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

J. Income taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax Laws used to compute the amounts are those that are enacted, at the reporting date.

Deferred Taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets including the unrecognized deferred tax assets, if any, at each reporting date, are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date and are adjusted for its appropriateness.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

K. Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/(loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity

shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

L. Cash flow statement

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

M. Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

N. cash and cash equivalent

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

The bank balances in India include both rupee accounts. On a standalone basis, balance in current and deposit accounts stood at 7,57,331/-, as at March 31, 2018.

O. Related party transaction

P. occurring after the date of balance sheet

Where material event occurring after the date of the balance sheet are considered up to the date of approval of accounts by the board of director

Q. Recoverability of trade receivables

Required judgements are used in assessing the recoverability of overdue trade receivables and for determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate risk of non-payment.

R. First time adoption of Ind AS

These standalone Ind AS financial statements, for the year ended March 31, 2018, are the first standalone financial statements of the Company that are prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its standalone financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP"). Accordingly, the Company has prepared these standalone Ind AS financial statements which comply with applicable Ind AS for periods ended on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these standalone Ind AS financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Previous GAAP standalone financial statements, including the balance sheet as at April 1, 2016 and the standalone financial statements as at and for the year ended March 31, 2017.

S. Exemptions applied

i. Ind AS 101 permits a first-time adopter to elect to continue with the carrying value of all of its property, plant and equipment as recognised in the financial statements as on the date of transition to Ind AS, as per the Previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommissioning liabilities. The exemption can also be used for intangible assets covered by Ind AS 38. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangibles at their Previous GAAP carrying value.

ii. Ind AS 101 permits a first-time adopter to elect not to apply Ind AS 103 retrospectively to past business combinations (business combinations that occurred before the date of transition to Ind AS). Accordingly, the Company has elected to measure all assets and liabilities arising out of business combinations that occurred before the date of transition to Ind AS at their Previous GAAP carrying values.

iii. When an entity prepares separate financial statements, Ind AS 27 requires it to account for its investments in subsidiaries, joint ventures and associates either at cost or in accordance with Ind AS 109. A first-time adopter may choose either fair value at the entity's date of transition to Ind AS in its separate financial statements or Previous GAAP carrying amount at that date, to measure its investment in subsidiary or associate that it elects to measure using a deemed cost. Accordingly, the Company has elected to measure its investment in subsidiary and associate using the Previous GAAP carrying amount as deemed cost.

iv. Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Company has elected to apply this exemption for such contracts/arrangements.

v. If a first-time adopter did not, under its Previous GAAP, recognise and measure a government loan at a below market rate of interest on a basis consistent with Ind AS requirements, it shall use its Previous GAAP carrying amount of the loan at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet. An entity shall apply Ind AS 109 to the measurement of such loans after the date of transition to Ind AS. Accordingly, the Company has used its Previous GAAP carrying amount of the deferred payment liability at the date of transition to Ind AS as the carrying amount in the opening Ind AS Balance Sheet.

a. Reconciliation of equity & profit and loss as on April 1, 2017 (date of transition to Ind AS) The transition from Previous GAAP to Ind AS did not have a material impact on statement equity & profit and loss.

b. Statement of Cash flows The transition from Previous GAAP to Ind AS did not have a material impact on statement of cash flows.

c. Reclassifications Following reclassification adjustments have been carried out as per Ind AS requirements:

i. Security deposits have been classified under financial assets instead of loans and advances as per Previous GAAP.

ii. Capital and other advances, Prepaid expenses and Balance with statutory/government authorities have been classified under other assets instead of loans and advance as per Previous GAAP.

iii. Advance income tax (net) has been classified as Income tax asset instead of loans and advances as per Previous GAAP.

iv. Current maturities of long-term borrowings, liability for capital goods, interest accrued on borrowings, security deposits payable, unpaid dividends, salaries and bonus payable, freight expenses payable and other expenses payable have been classified under financial liabilities instead of current liabilities as per Previous GAAP.
