#### LIMITED REVIEW REPORT OF MANAY INFRA PROJECTS LIMITED

Review Report to To, The Board of Directors, Manav Infra Projects Limited,

We have reviewed the accompanying statement of unaudited financial results of Manav Infra Projects Limited for the half year ended 30th September, 2023. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 2. The Financial Results for the period ended on 30<sup>th</sup> September, 2023 have been prepared using the same accounting policies as followed for 2022-23.
- 3. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from the site services are recognized pro-rata over the period of the contract as and when services are rendered. It is difficult to identify the completion of the work due to the complexity of the services rendered. Hence the management's confirmation is accepted in identifying the above.
- 4. Figures of previous period/year have been regrouped/recast wherever necessary to make the Financial Statements comparable.
- 5. As the Company operates only in one reportable business segment viz. infrastructural services. Hence, there are no reportable segments under Accounting Standard-17.
