Subject: Intimation of Machineries purchased during the month of July, 2018

Dear Sir/ Madam,

We are glad to inform you that Manav Infra made investment for increasing the work efficiency and added two new machineries in the fleet for betterment and timely execution of work contracts.

1. Company imported **MAIT HR 180 rig**, because of its versatility, and it is easily adaptable to many different applications such as:
 - Its standard version, principally utilized for drilling large diameter bore holes.
 - Drilling with augers or buckets.
 - It is able to work with a stroke of 5.100 m (17 ft) approx.
 - Execution of drilling casings directly with rotary and by casing oscillator
2. **JCB 3DX** consist of the A4 Speed, Fully synchromesh, smooth shift gearbox with internal torque converter and electrically operated reversing shuttle with following additional specifications:
 - Maximum Dig Depth: 5.05m
 - Maximum Engine Power: 68.6kW (92hp)
 - Maximum Loader Capacity: 1800 kg

We request you to take the same on your records and acknowledge the receipt of the same.

Thank You,

Yours Truly

For Manav Infra Projects Limited

Poonam Sharma
Company Secretary
